100% achieved.
Of which target?

Actual monthly cash saving

€600

ORIGINAL TARGET

€900

67%

of the original promise

REVISED TARGET

€600

100%

of the revised promise

Keep the original promise visible.

Keep these records separate.

1

Original plan

Baseline, target and deadline.
Preserve the approved version.

2

Actual result

Measured benefit and evidence.
Include costs and shifted work.

3

Updated forecast

Date, reason and next review.
Keep it beside the original plan.

Give the gap
a next step.

1

Check the difference

Compare workload, quality
and costs.

2

Decide the action

Name an owner and
a review date.

3

Review against both

Show the original target
and current forecast.

Benefits-review sheet in the first comment.
